INFORMATION DISCLOSURE STATEMENT

Honorable Commissioner of Patents
Washington, D.C. 20231

Sir:

Pursuant to the provisions of 37 C.F.R. 1.97 et. seq., the applicants submit the most relevant documents of which applicants are currently aware. The documents are identified on the attached form PTO-1449.

To the extent available, copies of the patents and or other documents cited are enclosed. If available and to the extent needed, English translations of pertinent portions of any non-English language references are also enclosed.

By this submission, applicants do not assert that a search of the prior art was made or that the patents and documents cited constitute all relevant prior art. The references cited constitute only that information now known to the applicants which, in the reasonable opinion of the applicants, is relevant to the claimed invention. It is requested that the Examiner make this information of record if it is deemed material to the examination of the subject application.
